National Seminar on “LAW AND GOVERNANCE” February 6, 2016

ABOUT THE ORGANIZERS

Rayat College of Law, established in 2004, is housed in an independent building at the Rayat-Bahra Ropar Campus. The College is affiliated to Panjab University, Chandigarh and the courses are approved by the BCI. Equipped with infrastructure including Moot Court, state-of-the-art Library and Computer Lab with 24 hrs internet facility, wi-fi Campus the College provides an excellent environment for learning. To instil an ability in our students to develop core competencies those are essential to embark on the practice of law, we have a special focus on practical training. Conduct of moot court competitions, court visits and expert lectures by authorities on Law and Social sciences are a routine here. Students are encouraged to organise Legal awareness camps outside the Campus.

The College has an excellent faculty with more than 400 students on the rolls. Close personal contact between the faculty and the students is the hallmark of the academic life at Rayat College of Law. It makes the work environment demanding and yet rewarding because there is a large degree of individual attention. Students admire the supportive teaching faculty and love the academic environment in the college. They feel encouraged to explore fully their individual ideas and are invigorated by the stimulating intellectual guidance provided by their teachers.

CALL FOR PAPERS

Research papers are invited from the academicians, practitioners, researchers, scholars and students on the issues related to the theme. The authors of selected papers will be given an opportunity to present their papers during various sessions on the day of the seminar. Accommodation on prior intimation can be provided.

CONCEPT NOTE:

Governance aims at providing responsive, transparent, and clean and people friendly administration and hence, accountability, both political and administrative and is one of the most important elements of the concept of governance. Law and governance in this context are directly correlated as the effectiveness of law is a prerequisite for providing an environment in which principles of good governance can prevail. The quality of governance is dependent on effective implementation of law. The seminar attempts to explore this relationship of law and governance as embedded in political, economic, social and historic processes. The seminar is an attempt to discuss and reflect the purpose of law and governance. The key issues on the theme will be taken up in the seminar.

SUB THEMES

The theme of the Seminar covers a lot of challenging areas during technical sessions under different sub-themes

- Ethics, politics and governance
- Rule of law and governance
- Governance and human rights perspective
- Right to information and governance
- New dimensions in governance
- Role of ICT in governance
- E-Governance in judiciary
- Corruption a challenge to governance
- Right to services a tool for good governance
- Governance and law and order in society
- Environmental law and governance
- Governance: a historical perspective
