Dear Sir/Madam,

I have pleasure to inform you that Rayat-Bahra Ropar Campus is hosting the ISTE (Pb., Chd., HP & J&K) Section Annual Faculty Convention on **November 2-3, 2017**. To mark this occasion, a National Seminar is being organized on theme "**Trends & Innovations in Management, Engineering, Education & Sciences**" with following sub-themes:

- ❖ Digital India
- ❖ Innovative Applications of Emerging Technologies
- ❖ Contemporary Global Issues in Business Management
- ❖ Frontiers in Pharmaceutical Sciences & Research
- ❖ Education Science and Technology for a Better Tomorrow
- ❖ Skills, Science, Sanskriti & Strategy for Sustainability

The aim of the Convention is to accumulate and share innovative ideas, precious knowledge and unique experiences for benefits of researchers, industry representatives, academicians and participants. We do hope that active involvement of most prominent speakers and delegates and their innovative ideas will create a stimulating atmosphere for further active development of multi-disciplinary and convergent research.

ISTE Section Best Teacher Award Distribution Ceremony-2017 shall be conducted as a part of inaugural proceedings of the convention. Various luminaries of Technical Education System are going to grace the occasion.

In this connection, I take this opportunity to invite your good-self, faculty & research scholars to participate and contribute research findings in the areas listed in the enclosed convention brochure. I assure you that this event will be unique of its kind in the region and the delegates from your institute shall get immensely benefitted.

We look forward to host you here at Rayat-Bahra Ropar Campus, and express our full confidence in ensuring a most memorable event.

Kindest regards,

**(Dr. Suresh Seth)**  
**Campus Director**
